

# *Local fresh cuisine for everyone*

**The Buck Country Pub is a traditional pub/restaurant with rural charm and rustic characteristics, located in the heart of the Ribble Valley.**

**Catering for all tastes, our menu is available for lunch and dinner and offers everything from light bites to a traditional Sunday roast with all the trimmings. We offer smaller portions for children and our ever-changing 'Specials' menu offers a selection of pies, fresh fish and steaks.**

**The food is simple and hearty. What one would expect from a Country Inn, offering home-made quality farmhouse fayre. Our famous steak pudding and fish and chips have been described by our customers as second to none.**

**We pride ourselves on local real ales and fine wines with more than plenty options on specialist gins and vodka's, simply something for everyone.**

**The Buck Country Pub offers a warm welcome in all seasons, either relax in the sheltered patio area, perfect for those warm summer evenings, or cosy up by one of two log burners. We offer a lovely relaxed atmosphere with friendly, helpful staff.**

**A pre-order menu is available for larger parties or a choice.**

**We welcome every member of the family including your beloved furry friend - after all they're family too! We just ask you to keep them on on a lead in the snug area of the bar and keep four paws on the floor!**
